SAN BERNARDINO – The California Department of Transportation (Caltrans) will activate the traffic signal at the intersection of State Route 18 (SR-18) and Bellflower in the City of Adelanto on Monday, September 12th.

Caltrans began the project in mid-July. The nearly \$700,000 project was initiated to reduce the number of collisions and to provide pedestrian access with standardized ADA ramps, curbs, and crosswalks.

Questions or comments can be made to Caltrans District 8 Public Affairs at (909) 383-4631. To stay on top of roadwork in the Inland Empire go to www.caltrans8.info and sign up for commuter alerts. View traffic conditions at <http://quickmap.dot.ca.gov>.
